Subject: Directive to Complete Reclamation, Park Valley Quartzite LLC, Green Beetle Quarry,  
S/003/0017, Box Elder, Utah

Dear Mr. Larsen:

This is a reminder that the reclamation work needs to be completed at the Green Beetle Quarry. On November 21, 2014, the Division of Oil, Gas and Mining issued a directive which, in part, required reclamation to be completed by January 31, 2015. This deadline was later extended to April 30, 2015.

The letter directing that reclamation be completed also asked that you notify the Division (Lynn Kunzler or me) a few days in advance of starting reclamation work for the purpose of arranging an on-site meeting to discuss reclamation requirements.

Please contact Mr. Kunzler as soon as possible to discuss your schedule for reclaiming the mine. He can be reached at 801-538-5310. You may also call me at 801-538-5261. Thank you in advance for your prompt attention to this matter.

Sincerely,

Paul Baker  
Minerals Program Manager
